INTERIM RESULTS ANNOUNCEMENT
FOR THE THREE MONTHS AND SIX MONTHS ENDED 30 JUNE 2014

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

This announcement, for which the directors (the “Directors”) of Neo Telemedia Limited (the “Company”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the Growth Enterprise Market of the Stock Exchange (the “GEM Listing Rules”) for the purpose of giving information with regard to Neo Telemedia Limited. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief:

- 1. the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive; and*
- 2. there are no other matters the omission of which would make any statement herein or this announcement misleading.*

NOTES TO CONDENSED CONSOLIDATED INTERIM FINANCIAL INFORMATION
For the three months and six months ended 30 June 2014

1. GENERAL INFORMATION

Neo Telemedia Limited (the “Company”) (together with its subsidiaries, collectively referred to as the “Group”) is incorporated in the Cayman Islands as an exempted company with limited liability and its shares are listed on the Growth Enterprise Market (“GEM”) of The Stock Exchange of Hong Kong Limited (the “Stock Exchange”).

The address of the registered office and principal place of business of the Company are Unit 1504, Harcourt House, 39 Gloucester Road, Wanchai, Hong Kong.

The condensed consolidated interim financial statements are presented in Hong Kong dollars (“HK\$”). Other than those subsidiaries established in the People’s Republic of China (the “PRC”) whose functional currency is Renminbi (“RMB”), the functional currency of the Company and its subsidiaries are HK\$. The reason for selecting HK\$ as its presentation currency is that the Company is a public company listed on the GEM, where most of the investors are located in Hong Kong.

The principal activity of the Company is investment holding and the principal activities of its operating subsidiaries are sale of telecommunication products and services and provision of transmedia advertising services in the PRC.

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES

The condensed consolidated interim financial statements have been prepared in accordance with Hong Kong Accounting Standard (“HKAS”) 34 “Interim Financial Reporting” issued by the Hong Kong Institute of Certified Public Accountants and the applicable disclosure requirements of the GEM Listing Rules.

This condensed consolidated interim financial information should be read in conjunction with the consolidated financial statements of the Group for the period ended 31 December 2013.

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES *(continued)*

Except as described below, the accounting policies and methods of computation used in the condensed consolidated interim financial statements for the six months ended 30 June 2014 are the same as those adopted in the preparation of the Group's annual financial statements for the period ended 31 December 2013. In the current interim period, the Group has applied, for the first time, the following new or revised Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants:

HKFRS (Amendments)	Annual Improvements to HKFRSs 2011 – 2013 Cycle
HKFRS 1 (Amendments)	Government Loan
HKFRS 7 (Amendments)	Disclosures – Offsetting Financial Assets and Financial Liabilities
HKFRS 10, HKFRS 11 and HKFRS 12 (Amendments)	Consolidated Financial Statements, Joint Arrangements and Disclosures of Interests in Other Entities – Transaction Guidance
HKFRS 10, HKFRS 12 and HKAS 27 (Amendments)	Investment Entities
HKAS 32 (Amendments)	Offsetting Financial Assets and Financial Liabilities
HKAS 36 (Amendments)	Recoverable Amount Disclosures for Non-Financial Assets
HKAS 39 (Amendments)	Novation of Derivatives and Continuation of Hedge Accounting
HKFRS 10	Consolidated Financial Statements
HKFRS 11	Joint Arrangements
HKFRS 12	Disclosure of Interests in Other Entities
HKFRS 13	Fair Value Measurement
HKAS 19 (as revised in 2011)	Employee Benefits
HKAS 27 (as revised in 2011)	Separate Financial Statements
HKAS 28 (as revised in 2011)	Investments in Associates and Joint Ventures
HK(IFRIC) – Int 20	Stripping Costs in the Production Phase of a Surface Mine
HK(IFRIC) – Int 21	Levies

HKFRS 13 Fair Value Measurement

The Group has applied HKFRS 13 for the first time in the current interim period. HKFRS 13 establishes a single source of guidance for, and disclosures about, fair value measurements, and replaces those requirements previously included in various HKFRSs. Consequential amendments have been made to HKAS 34 to require certain disclosures to be made in the condensed consolidated interim financial statements.

The scope of HKFRS 13 is broad, and applies to both financial instrument items and non-financial instrument items for which other HKFRSs require or permit fair value measurements and disclosures about fair value measurements, subject to a few exceptions. HKFRS 13 contains a new definition for 'fair value' and defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions. Fair value under HKFRS 13 is an exit price regardless of whether that price is directly observable or estimated using another valuation technique. Also, HKFRS 13 includes extensive disclosure requirements.

In accordance with the transitional provisions of HKFRS 13, the Group has applied the new fair value measurement and disclosure requirements prospectively. Disclosures of fair value information are set out in note 19.

6. INCOME TAX *(continued)*

- (a) Hong Kong profits tax is calculated at 16.5% on the estimated assessable profits. No provision for Hong Kong profits tax had been made during the period as the Group did not generate any assessable profits arising during the period.
- (b) Taxes on profits assessable elsewhere have been calculated at the rates of tax prevailing in the jurisdiction where the Group operates.

7. DIVIDEND

The Directors do not recommend the payment of any dividend for the six months ended 30 June 2014 (2013: Nil).

8. LOSS PER SHARE

The calculation of basic loss per share amounts is based on the loss for the six months ended 30 June 2014 of approximately HK\$40,837,000 (six months ended 30 June 2013: HK\$42,444,000) and the three months ended 30 June 2014 of approximately HK\$27,500,000 (three months ended 30 June 2013: HK\$29,859,000), attributable to equity holders of the Company, and the weighted average of the six months ended 30 June 2014 of approximately 2,591,385,000 (six months ended 30 June 2013: 2,384,120,000) and the three months ended 30 June 2014 of approximately 2,627,448,000 (three months ended 30 June 2013: 2,440,690,000) ordinary shares in issue during the period.

The computation of diluted loss per share does not assume the conversion of the Company's outstanding convertible notes since it would result in an anti-dilutive effect on loss per share.

The computation of diluted loss per share does not assume the exercise of the Company's share options and warrants because the exercise prices of those share options and warrants were higher than the average share price for the periods.

9. PROPERTY, PLANT AND EQUIPMENT

During the six months ended 30 June 2014, the Group spent approximately HK\$1,846,000 (18 months period ended 31 December 2013: HK\$29,411,000) on acquisition of property, plant and equipment, excluding property, plant and equipment acquired through acquisition of subsidiaries.

MANAGEMENT DISCUSSION AND ANALYSIS

For the six months ended 30 June 2014, the Group recorded a turnover of approximately HK\$19,667,000 (2013: HK\$9,904,000), representing a substantial increase of approximately HK\$9,763,000 or 2 times as compared to the same period of last year. The Group recorded a loss attributable to owners of the Company of approximately HK\$40,837,000 (2013: HK\$42,444,000) for the six months ended 30 June 2014, representing a slight decrease of approximately HK\$1,607,000 or 4% as compared to the corresponding period in last year. The increase in turnover was mainly attributable to contribution from Hughes China Group and CERNET Wifi Group which were acquired on 5 April 2013 and 24 April 2013 respectively. Despite no share option expenses recognised for the six months ended 30 June 2014 as compared to that of HK\$30,490,000 in the corresponding period in 2013, loss attributable to owners of the Company decreased slightly only by 4% because certain projects, such as 天地星 and 蒙古包, that the above-mentioned groups are working on were still in the preliminary stage and did not contribute any revenue to the Group while the relevant development costs were incurred during the period under review.

Sale of telecommunication products and services

Hughes China Group

CERNET Wifi Group

Revenue contributed to the Group for the period represents economic benefits generated by the assets owned by 塞爾網絡有限公司 (CERNET Company Limited*) (“CCL”) pursuant to asset leasehold and cooperation contracts entered into between CERNET Wifi Group and CCL.

Smart Long Group

In view of the uncertainty of the business of high temperature superconducting (“HTS”) filtering solutions, Smart Long Group has shifted its focus on other projects since the last financial year, particularly mobile Internet lottery, on which Smart Long Group will provide IT support, including design and development of lottery platform and game distribution infrastructure, to lottery operators for a commission income. During the period under review, Smart Long Group continued to work with a number of lottery operators in the PRC on these projects.

Provision of transmedia advertising services

During the period under review, Ease Ray Group's revenue has decreased as compared to the corresponding period in 2013. It was mainly attributable to the policy implemented by the municipal government of Shangrao to rectify the local over-advertised market and the fierce competition in the outdoor advertising industry in the PRC. As a result, the number of operating traffic signboards has decreased.

PROSPECTS

Sale of telecommunication products and services

The management will continue to monitor the progress of various projects that the group companies are working on. In addition, the Directors are in the process of assessing the performance of these group companies to determine if there are loss making and risky projects that need to be discontinued.

Provision of transmedia advertising services

The management will continue to work with the municipal governments of Xiamen, Nanchang and Shangrao for a timetable of resuming our services and will continue to carry out maintenance work on the aged traffic signboards so as to maintain their normal operation.

On the other hand, the management will explore other outdoor advertising media to diversify the source of revenue and improve profitability of Ease Ray Group.

Under code provision A.2.1, the responsibilities between chairman and chief executive officer should be divided. Mr. Cheung Sing Tai is the Chairman and the Chief Executive Officer of the Company. The Board believes that vesting the roles of both Chairman and Chief Executive Officer in the same person has the benefit of ensuring consistent leadership within the Group and enables more effective and efficient overall strategic planning for the Group. The Board believes that the balance of power and authority for the present arrangement will not be impaired and is adequately ensured by current Board which comprises experienced and high caliber individuals with sufficient number thereof being independent non-executive Directors.

Under code provision A.4.1, non-executive Directors should be appointed for specific term. There is no specific term of appointment of the non-executive Directors; however, they are subject to retirement by rotation in accordance with the articles of association of the Company (“Articles”) and the Code on Corporate Governance Practices of the GEM Listing Rules. Under code provision A.5.1, the Company should establish a nomination committee (“Nomination Committee”) comprises a majority of independent non-executive Directors. Following the retirement of Dr. Jih Chyi LEU (“Dr. Leu”) and Professor SONG Jude (“Professor Song”) as independent non-executive Directors at the annual general meeting of the Company held on 17 March 2014, and the removal of Mr. LAM Kin Kau, Mark (“Mr. Lam”) as an independent non-executive Director on 18 March 2014, Dr. Leu ceased to be the chairman of the Nomination Committee on 17 March 2014 and Professor Song and Mr. Lam ceased to be members of the Nomination Committee on 17 March 2014 and 18 March 2014 respectively, and failed to have sufficient number of members of Nomination Committee. Under code provision A.6.7, independent non-executive Directors and other non-executive Directors should attend general meetings and develop a balanced understanding of the views of shareholders. However, due to business engagements, Professor SONG Jude, a former independent non-executive Director did not attend the annual general meeting of the Company held on 17 March 2014.

Under code provision D.1.4, the Company should have formal letters of appointment for Directors setting out the key terms and conditions of their appointment. Except for Mr. Cheung Sing Tai, and Mr. Zhang Xinyu, the Company did not have formal letters of appointment for Directors. However, the Directors shall be subject to retirement by rotation in accordance with the Articles. In addition, the Directors are required to refer to the guidelines set out in “A Guide on Directors’ Duties” issued by the Companies Registry and “Guidelines for Directors” and “Guide for Independent Non-executive Directors” (if applicable) published by the Hong Kong Institute of Directors in performing their duties and responsibilities as Directors. Besides, the Directors are required to comply with the requirements under statute and common law, the GEM Listing Rules, legal and other regulatory requirements and the Company’s business and governance policies.

INSUFFICIENT NUMBER OF INDEPENDENT NON-EXECUTIVE DIRECTORS DURING THE PERIOD

At the annual general meeting of the Company held on 17 March 2014, Dr. Leu and Professor Song were not re-elected as independent non-executive Directors of the Company and retired at the meeting, and Mr. Lam was removed as an independent non-executive Director on 18 March 2014. Following the above retirement and removal of independent non-executive Directors, the Company failed to have sufficient number of independent non-executive Directors and audit committee members, which was not in compliance with the requirement of Rules 5.05(1), 5.05(2) and 5.28 of the GEM Listing Rules.
